Re: Public comment on the sale of WMFE to Daystar Television Network,

To whom it may concern,

For 46 years, Orlando, Florida has enjoyed public television and radio. My children have enjoyed Arthur, Dinosaur Train, Bob the Builder, the Magic School Bus, and Teletubbies. And I've enjoyed the PBS News Hour, Frontline, the American Experience, and Nova.

Keep PBS on the air.

Do not approve the sale of WMFE to Daystar Television Network which is notorious for hateful divisive speech.

Sincerely,

Virginia Chapman
